

At a house in the country 8 guests are invited to enter magical wood to see what might have happened had they made a different choice in life. Even though they are warned away from the wood, they take a chance and enter. The title comes from Shakespeare: "The fault lies in our selves, dear Brutus, not in our stars..." and summarizes the theme of this play: given a second chance, will people still make the same mistakes?

Dear Brutus by J.M. Barrie
